The Chair agreed the clerk would look into the costs and insurance implications and bring back to a future meeting for discussion.

A resident asked about the contractor and what work was being done on the church yard/flower beds in the church yard. There was a suggestion about a wild flower meadow to reduce mowing costs?

A verbal report was given by NTAG representative. It was agreed no further action would be taken until the report from LCC Highways following their monitoring Dec 2021.
